ASSISTED LIVING • MEMORY CARE

**CREATING EXTRAORDINARY
AND INNOVATIVE COMMUNITIES
WHERE PEOPLE THRIVE.**

OUR VISION

Watermark's Thrive Memory Care program is based on more than 30 years of experience delivering outstanding care and innovative programming in an encouraging, residential environment. Every resident brings a unique life experience to our community and we incorporate their personal background, preferences and needs into the daily fabric of our program. We challenge traditional assumptions about what is possible and we always focus on what residents *can* do, never what they cannot.

Extraordinary Outings

**DAYS FILLED WITH THE THINGS YOU
LOOK FORWARD TO AND ENJOY.**

NURTURING ENVIRONMENT

We create “like home” memory care neighborhoods that are comfortable and familiar. Our residents are surrounded by wonderful aromas from delicious meals, music, laughter, family members, fresh flowers, natural light, children, pets, the changing of the seasons and reminders of things to look forward to today, tomorrow and beyond. We fill the days with favorite pastimes and make sure to create plenty of meaningful moments.

A close-up photograph of a white ceramic mug filled with tea, sitting on a light-colored wooden tray. Next to the mug is a stack of three round cookies with a dark, possibly chocolate or mint, filling. To the right of the stack is a large, round, golden-brown cookie with a craggy, textured top. The background is softly blurred, showing a textured surface.

FAVORITE FOODS WITH GOOD FRIENDS

DINING FOR THE SOUL

Beyond nutritious and delicious, meals are times to gather, connect and enjoy life's simple pleasures. Old favorites and interesting new delights are always on the menu and with Thrive Dining™, those same choices come in attractively served, bite-size portions to make meal times even more enjoyable. Our Pantry Program even provides residents personal space to store favorite items like mint Milano cookies or tomato bisque, so comfort foods are always close at hand.

GROW AND CONNECT IN MEANINGFUL WAYS

THRIVE PROGRAMMING

EXPRESSIVE ARTS: We use music, art and movement to tap into all forms of creativity for an alternative form of communication beyond words.

PHYSICAL WELLNESS: From traditional fitness classes, to innovative offerings such as *Tai Chi*, *Sit and Dance* and *Armchair Fitness*, our physical fitness programs are tailored to residents' abilities, preferences and needs.

LIFE HISTORIES: Using past occupations, preferred hobbies and treasured talents, we create opportunities for meaningful connections, plus a feeling of true accomplishment, purpose and joy.

WATERMARK UNIVERSITY: Residents, associates, family members and local experts share their interests to ensure we always have opportunities to learn, grow and connect with each other in meaningful ways. We feature dozens of classes and examples include *The Writer's Circle*, *Conversational Spanish*, *Music and Movement*, and *Facebook for Seniors* to name a few.

GUIDANCE, CARE AND CONNECTIONS

THE BEST IN CARE

Here, care giving is not only a compassionate vocation, it's also part art and part science. We stay abreast of the latest research and offer our memory caregivers the knowledge and skills they need to provide the best care possible.

Our specially trained and certified caregivers communicate through validation rather than correction to show understanding and support. We also know that behaviors are a response to an unmet need. From this thoughtful foundation, we cultivate a sense of well-being and connection.

We partnered with the National Council of Dementia Practitioners to train our Nayas how to incorporate residents in the rhythms of daily living. Together, they work side-by-side cooking, cleaning, preparing and serving home style meals, and anything else that evokes a sense of purpose.

EXPERIENCES THAT MAKE A DIFFERENCE

EXTRAORDINARY OUTINGS

Our group trips shatter the expectations of what's possible. Our residents, associates, families and volunteers work together to plan safe, adapted outings to ensure our residents thrive. Recent examples from Watermark communities coast to coast include fishing trips, a day at the Jersey Shore beach and Atlantic City, a train trip to New York City and even an overnight camping excursion.
